CUTTER® OUTDOOR CANDLE₃

MADE WITH REAL CITRONELLA & CORNMINT OILS

⚠️ Improper use can result in fire and burns.

STOP. READ ENTIRE LABEL BEFORE USE. FOR OUTDOOR USE ONLY.

WHERE TO BURN: OUTDOORS, not in enclosed areas, to avoid concentration of soot, smoke or scent. **DO NOT** burn indoors. Burn on a stable, level, heat-resistant surface. For best results, use at least three candles spaced around the perimeter of the outdoor area where people will gather.

BEFORE LIGHTING: Keep wick trimmed to ¼ inch or less at all times to reduce sooting. Remove any foreign material or liquid from container. Do not use if container is chipped or cracked.

WHILE BURNING: ⚠️ **WARNING** • Burn within sight. **DO NOT** leave unattended. • Keep away from things that catch fire. • Keep away from children and pets.

AVOID FLARE-UPS: • Never put anything that can burn in the candle. • Keep candle away from external heat sources. • Do not use water to extinguish candle – liquids can expand the flames or splatter wax. • Do not burn for more than four hours at a time. • Discontinue use when ¼ inch of wax remains. • Cover when not in use to protect candle from water and debris.

BEFORE MOVING: Extinguish with lid and let wax harden. Never pick up or move a burning candle.

PRECAUTIONARY STATEMENTS • Hazards to Humans and Domestic Animals • CAUTION. Avoid contact with skin. Not following instructions may lead to fire hazard or personal injury.

FIRST AID • If on Skin: Wash with plenty of water. If skin irritation or rash occurs, get medical advice. Wash contaminated clothing before reuse.

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.

STORAGE AND DISPOSAL • Storage: Store in cool, dry place. **Disposal:** Do not reuse or refill this container. Let wax harden prior to disposal. Include in regular trash.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
