Safe for
Multi-Surface Use

MICROFIBER PAD CARE INSTRUCTIONS

- 1 Wash in a regular cycle with cold water and a mild detergent.
- 2 Dry at low heat or air dry.
- 3 DO NOT use fabric softener or dryer sheets. They will leave a residue and inhibit the microfiber's cleaning ability.

FOR FLOOR RESTORATION (Microfiber Cleaning Pad Only)

Microfiber PowerMax™ Pad and scrub pad not intended for floor restoration use

- 1 Use Rejuvenate® Floor Restorers to fill in scratches, shine and protect your floors. Available in Hardwood Satin, Hardwood Gloss and All Floors Restorer.
- 2 Rejuvenate® Microfiber Pads are recommended to use with our floor restoration products.
- 3 NOTE: When using restorer products, microfiber pads must be rinsed thoroughly with warm water and mild soap immediately after use. Do not allow restorer liquid to dry on mop pads.

MONEY-BACK GUARANTEE
If you are not satisfied with this product for any reason within 90 days, send your written request for a refund to the address below, together with the proof of purchase from an authorized seller showing the price you paid, or complete the Contact Us form online. Please allow 6-8 weeks for processing. Visit www.rejuvenatecleaning.com for full details.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
