STOP. READ ENTIRE LABEL BEFORE USE.
FOR OUTDOOR USE ONLY

DIRECTIONS FOR USE

REFILLING THE TRAP

- 1 Unscrew the black lid to open the trap.
- 2 Open the foil packet and empty the contents into the trap.
- 3 Pour the liquid lure into the trap with the yeast.
- 4 Gently stir to mix the ingredients.
- 5 Tighten the black lid until securely closed.
- 6 Unscrew the yellow cap to expose the openings to the trap, ensuring the openings are fully visible before using.

REUSING THE TRAP

- 7 Hang the trap approximately 4-5 ft high in a sunny area, sheltered from direct sunlight and high winds, away from areas where kids and pets actively play or spend time. DO NOT hang traps near nests or flowering plants; place 15 ft from activity.
- 8 Relocate trap after 1 or 2 days if catch rate is low.
- 9 Empty the trap after 3-4 weeks, or when trap is $\frac{2}{3}$ filled with insects. Refill using Spectracide[®] Wasp, Hornet & Yellow Jacket Trap Refill. Make sure there are no wasps or hornets flying around the trap before emptying, and make sure the lid is closed before handling.
- 10 Wash hands with soap and water after trap maintenance.

TIPS

1. Hang the trap at night or in early morning when insects are least active.
2. Clean surface spills with soap and water.

STORAGE AND DISPOSAL

Storage: Store out of direct sunlight in a cool, dry place. Keep container tightly closed until ready to use.

Disposal: Discard empty packaging in trash or offer for recycling, if available, according to municipal regulations.

PRECAUTIONARY STATEMENTS

Lure is made from simple food ingredients. Wash hands with soap and water after handling.

FIRST AID

No adverse effects are expected, but if irritation occurs:

If on Skin: Wash with soap and water. Consult with a medical professional if irritation persists.

If in Eyes: Flush with water for 5 minutes. Remove contact lenses, if present, and continue flushing with water for an additional 5 minutes. Consult with a medical professional if irritation persists.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
